Jordan Doe

(555) 555-0107 | jordan.doe@example.com | linkedin.com/in/jordan-doe-example
Lakeside, ST

Education

B.S. Electrical Engineering Expected Spring 2030
Example State University
Relevant coursework: Cornerstone Design I, Physics I: Mechanics, Computer Science for STEM
Activities: IEEE student branch

Projects

Line-Following Robot (Arduino, C++, IR sensors) Fall 2026

- Finished 2nd of 12 teams in the class line-following race, 41 s on a 10 m track
- Got lap time down from 52 s to 41 s by tuning the steering gain in C++ over 15 test runs
- Traced motor dropouts to 2 cold solder joints with a multimeter and resoldered them

Experience

Cashier, Example Grocery Jun 2025 – Present

Skills

Software: Arduino, C++
Hardware/Lab: Multimeter, Soldering
