Sam Rivera

(555) 555-0107 | sam.rivera@example.com | linkedin.com/in/sam-rivera-example
Lakeside, ST | US Citizen

Education

B.S. Electrical Engineering Expected Spring 2030
Example State University
Relevant coursework: Intro to Engineering Design, Calculus I
Activities: IEEE student branch

Projects

Line-Following Robot Fall 2026
Arduino, C++

- Built a line-following robot with an Arduino Uno and two IR sensors in C++, finishing the 10 m class track in 41 s, second of 12 teams
- Cut wheel wobble on turns by tuning a proportional steering gain over 15 timed runs, measured with a stopwatch and video

Experience

Cashier, Example Grocery Jun 2025–Present

Skills

Software: Arduino, C++, Excel
Hardware/Lab: Multimeter, Breadboarding, Soldering
